

FANCY SOMETHING DIFFERENT?

Increase profit opportunity by offering your customers something different from the traditional beef burger, kebab or fish and chips. Mehmet Hasan, owner of Leatherhead Grill in Leatherhead, Surrey trialed the **'Fancy Something Different'** menu from **Moy Park Foodservice** featuring a range of tasty non-beef burgers including the **Hot 'n' Spicy Chickwich Burger**, **Spicy Bean Burger** and **Falafel Burger**. All products are made with quality ingredients and couldn't be easier to prepare, deep frying in just over 3 mins.

"The 'Fancy Something Different' menu from Moy Park Foodservice works well and we will be keeping it on here at Leatherhead Grill. More and more customers are opting for vegetarian or non-red meat alternatives and the products are so easy to prepare – there is nothing to it!"
