

It's to time share

Available FREE to download online,
the Time to Share menu...

- ✓ Can help increase profit - perfect for tempting customers who don't want a full meal
- ✓ Features tasty, quick and easy to prepare products
- ✓ Includes eye-catching POS to promote the menu and drive business

The Time to Share menu from Moy Park Foodservice added something different to our existing food offer. The products were quick and easy to prepare – ideal for groups of people that just want a snack. Feedback from customers was very positive, proving that you can feature pre-prepared food without detracting from your normal quality.
