

Warming Winter Bites

A perfectly simple way to
increase your profits!

Warm up those dark winter nights
and tempt your customers with delicious,
hot bar snacks from Moy Park Foodservice
- a great alternative to a bag of nuts!

Recently trialled by Alan and Sue Paine, owners of The Bowl Inn, Kent, the
Warming Winter Bites menu proved a great success with customers.

*"The Mediterranean Crunchies were very popular
and the Crunchy Chicken Pops were delicious. The timings were also
spot on and all the products cooked to perfection!"*
